### **Advisory on the new online application process for the Issuance of the POEA Travel Exit Clearance for Balik-Manggagawa/Workers-on-leave**

HAGATÑA – The Consulate General of the Philippines wishes to inform all Overseas Filipino Workers that the POEA has a new on-line application process for the issuance of the POEA Travel Exit Clearance for Balik-Manggagawa or returning workers, and workers-on-leave.

Instead of the previous process where workers would have to proceed to the POEA office or the Philippine Overseas Labor Office to apply for their exit clearance, workers may now apply online by logging on to [www.oecdelivery.com.ph](http://www.oecdelivery.com.ph) and follow the instructions as detailed in the website. OWFs can avail of the two-way delivery system through the internet and have the clearance delivered to their residence in the Philippines. There will be no need to go to the POEA. This gives OFWs more time to spend with their families and friends while they are at home. Since the process is online, it is available throughout the Philippines.

OFWs who decide not to avail of the two-way delivery system, still have the option to print out the OFW Information Sheet after applying online and proceed to the POEA to file their applications. Travel Exit Clearances are also available at the following:

- Balik-Manggagawa Processing Division (BMPD), Service Area, POEA, Blas F. Ople Bldg., Ortigas cor. EDSA, Mandaluyong City.
- POEA Regional Centers/Reguinal Extension Units and Satellite Offices
- POEA-deputized OWWA Regional Offices and Units
- Philippine Overseas Labor Offices in various Philippine Embassies and Consulates abroad
- Exit Clearance One-Way Delivery system (Dropbox), POEA Service Area
- POEA, REU – La Union, Cagayan De Oro, Tacloban, Davao POLO Jeddah and Singapore for the issuance of Multiple Travel Exit Clearance.

For more information OFWs may also visit the POEA website at [www.poea.gov.ph](http://www.poea.gov.ph).
